Parent-Teacher-Student Association Newsletter

June, 2008 – Volume 48, Issue 5

A MESSAGE FROM OUR PRINCIPAL

Dear Point Loma High Families,

On behalf of the staff at Point Loma High School, I want to thank all of you, our parents, families, and community members for your unfailing support of our students, staff, and programs at Point Loma High School. Our students and staff have had opportunities and programs available to them because of your hours of volunteering, financial support, and continual encouragement.

Some of the highlights which you have helped us achieve include:

- ☒ 97% of our graduating seniors are off to higher education.
- ☒ Our seniors earned over 1.7 million dollars in scholarships and grants. Over \$180,000 of that came from the our PLHS Foundation and Alumni Association, community members, and former students.
- ☒ **Once again**, PLHS was listed in the *Newsweek* list of top performing high schools. It is largely based on participation and success in Advanced Placement classes.
- ☒ Our music program is a model of excellence and growing by leaps and bounds. Our incredible Jazz band began this year and is already playing with professionals. Music boosters, we couldn't do this without you and, of course, the hard work of our student musicians and teachers.
- ☒ Our athletic department continues to excel with honor. The football team beat our rivals and went to "the Q" for the third straight year. The sailing team won national honors and the tennis team won CIF. Individually, students on every team won CIF or state honors and many seniors received athletic scholarships including full rides. Again, we have our booster groups to thank for recognizing the hard work of our students and coaches and being willing to support each team with hours of volunteering and fundraising.

Next year promises to be just as exciting and rewarding. We are adding some new classes including Mandarin Chinese, Surf PE, and LINK Crew which is a mentor program connecting juniors and seniors with the incoming freshmen. Keep your eyes out for the mailing in August for all the details of the next school year.

One final thank you to Kris Barry and the entire PTSA Board for their generous support of our students at PLHS. To those of you who say good bye to PLHS this year, remember Once a Pointer, Always a Pointer. And to those of you who will be returning, have a relaxing and safe summer. We have much more to accomplish in the future and look forward to achieving the best with you.

It's Been a Fun Ride!

Kris Barry, PTSA President

It's always "bitter-sweet" seeing the end of another school year. I, like other parents, are ready to relax and let go of the "Did you finish your homework? What tests do you have this week? Turn off the TV!" But this year is different for me. I also hang up my hat with the schools here in Point Loma. Hard to believe that it's an end of an era for me.

I have to say that "working" with the PTSA, the incredible group of volunteer parents, teachers, staff and administration has been more than rewarding. Seeing the events like Kick-Off, College Night, Teacher Appreciation Week, to name a few, come to life every year and the smiles on the teachers' faces

when we are able to provide funding for something that they are passionate about, is dear to my heart. Many thanks go out to all the PTSA committee "worker-bees" who have contributed to these successes as well as all the behind the scenes people, our treasurer, webmaster, e-blast queen, editor, grant decision makers, who make the magic, too. The PTSA is like an orchestra... many players who make beautiful music together! I am honored to have been the maestro! And on that note (no pun intended!), I am pleased to announce the PTSA President for the upcoming school year, Leslie Rose. I know that under her leadership, the PTSA will stay strong and that PLHS is in good hands! Welcome, Leslie and enjoy the ride!

Bell Schedule Change

Effective '08-09

School Day Starts at 7:25 AM!

PLHS's school day begins earlier effective September 2, 2008. The bell schedule has been adjusted by five (5) minutes . . . school will start at 7:25! The "warning" bell will ring at 7:19 AM. Students that arrive late disrupt the instructional process; tardies affect the citizenship grade as well. Daily dismissal is at 2:10 PM. The "five" minute time change is built into the Minimum Day schedule with dismissal at 11:55 AM; the semester exam schedule Minimum Day (January and June) dismissal is 11:25 AM.

Congratulations to the Class of 2008!!

By Kris Barry, Class Sponsor

I've taken great joy in keeping you updated these past four years as class sponsor and even more joy in getting to know so many of the parents and students in the Class of 2008. Thank you all so much for your contributions to our senior class activities and offering to help in a variety of ways. As I write this, Disneyland and Parkway Bowl are a week or so away, but I am confident that all those that are participating will have a wonderful time and will store away memories to last a life time. Thank you to all who have helped make their dreams come true!

I will not say "good-bye", but will say "farewell" and I hope all our seniors will "fare well" in the years to come. Here, I will plagiarize the last paragraph from my son's English assignment to write a commencement speech:

"Finally, I hope all of us will take the education we have

been given, beginning in Kindergarten, building on that base, stepping stone by stepping stone, through 12th grade, and make the most of it. Believe in your dreams. Believe in yourselves. Listen to others. Thank those around you for their support. As Will Rogers said, 'Even if you're on the right track, you'll get run over if you just sit there.' Fellow students, take your diploma and run. Run for the end-zone, hit the home run, make the three point shot, drop in on the biggest wave of your life. Take a chance, try something new, ride the roller coaster of life, have fun and go for the gold. Make the most of your lives. You only get one ticket."

Best wishes to the Class of 2008!
Kris Barry

Class of 2009

The Class of '09 is continuing to fundraise for next years Graduation night activities and Prom. Any junior class parents interested in helping to organize/plan next years senior activities please contact Linda Pendleton during the summer. The Junior Class would especially like to thank local businessman Mike Hardin of Hodad's for the generous \$1,000.00 contribution towards the Junior class account. Please remember that the Junior class will be selling the flower leis both before and after graduation ceremonies on Monday June 16th. If anyone would like to purchase a metal license plate holder during the summer, please contact Jr. Class parent sponsor Linda Pendleton @ 619 231-3034 or lpendleton1@sandi.net

Class of 2010

We've had a wonderful year and it has truly flown by! With just two years left to fund-raise for our senior events, please keep our class in mind for all your PLHS logo clothing items. Get ready for the fall with sweatshirts, t's, shorts and sweatpants. E-mail me at maurmcgrat@aol.com or call me at 619-922-2441. These always make great gifts and are in high demand in the fall. Please use my same contact information if you'd like to be involved in the big Kick-Off football triple header celebration this September 6th. It takes a handful of volunteers to make this happen and I guarantee you'll have fun along the way!

Have a great summer!
Maureen McGrath

Class of 2011

Lucy DeVito, Class Sponsor

Well the end of our freshman year is approaching very quickly. I think it's been a great year of teamwork, learning the "ropes" and figuring out how to make next year even more successful for our class.

The Class of 2011 was able to raise \$5200 this year- Which happens to be our goal for the year! I want to thank our parents for their support and to everyone who donated their time, money and energy to our class. I can't forget to thank our freshman ASB officers who helped whenever I made the request, especially Madison Friel. Madison you're a star!!! She made it all happen by organizing student volunteers at our school sales of Dip N Dots and the delivery of roses on Valentine's Day.

Next year promises to be as rewarding as this year. Robin LaDow has offered to run another Rummage sale for our class in the fall and Holly Kirkpatrick is planning a Golf Tournament in the spring. We plan to offer sponsorship on our class banner again - look for a flier next fall to get your company or family name on our banner. Caseman, Inc. will remain our sponsor through end of 2011.

If you didn't get to donate this year, there is always next year! See you in the fall.

SOCIAL HOST LAW

In May 2006, a law was enacted in San Diego which says that adults who allow groups of three or more people under the age of 21 to drink alcohol in their homes can be charged with a misdemeanor, fined up to \$1,000, face up to 6 months in jail, and pay recovered costs of law enforcement and emergency services. A couple of additional points that some of the panel members that work with recovering teenage alcoholics shared are many teenagers that begin exhibiting issues with drinking have reported that role modeling in their homes was a factor - parents that demonstrate unhealthy drinking habits and alcohol dependency can con-

tribute to a teenager's attitudes toward alcohol. Human brains are still developing up into the young person's early twenties and instances of excessive drinking during this time can harm them more than an adult. The earlier a young person begins drinking, the greater their chances are of becoming a problem drinker in their life. The forum encouraged parents to know where their teenagers are and to know that their teenagers are having fun in ways that are not dangerous to them (calling the parents ahead of time if their child is planning to attend a party in their home, for example.) Let's all have a safe and healthy school year!

Founder's Day Luncheon and HSA Awards

Lucy DeVito

On Wednesday, May 28 the PTSA held its annual Founder Day's Luncheon to honor some very special people. At this luncheon the Honorary Service Award (HSA) was given out to parents, teachers, staff and community members who "have provided outstanding service to the students and community of PLHS." Leslie Hanna and Susan Blair chaired this event and the entire staff and faculty, and family and friends of the honorees were treated to a festive Greek lunch.

The HSA award was given out to Tim Cunningham for coming out of retirement as the Head Girl's Basketball Coach. Tim helped guide the team to their first league win in over 4 years and their first Division II playoff in over 5 years. Tim's wife Karen stepped in to be the team's

scorekeeper. Community member, Lou Ghio was recognized for her 10 years and countless volunteer hours as Surf Team manager. She managed even when she didn't have a student at PLHS! Staff member Bertha Almeida was recognized for always having a smile on her face, for her positive attitude and for being loved by many of PLHS students. Susan and Jim Blair received their award for their "non-stop" volunteering! Susan is a constant volunteer for the PTSA. Both Jim and Susan have always been involved with Football Booster and Jim never says no when the football team needs a hand. Kris Spathas was recognized for her never ending support of the PL cluster and all the hard work she does keeping us informed with PLHS and community e-blasts.

John and Pat Baker were given HSA awards for their constant support of PLHS, whether through volunteering or supporting the staff and students. The most prestigious PTA award to be given out, The Golden Oak Service Award, went to Toni Wisheart. Toni received this award for her many years of outstanding work with students, being head of the Key Club and for always volunteering. Mary Gerke received the Wrennie Sponsel Award for professional excellence presented to a teacher new to PLHS with one to three years of service, having exhibited excellent teaching skills and having been involved with students in extracurricular activities. Congratulations award winners and thank you for your service to students, staff and community of PLHS!

WASC ACCREDITATION PROCESS CONTINUES IN FALL

Every six years all high schools nationwide are required to renew their accreditation status. PLHS will be evaluated by an Accreditation team March 23-25, 2009. WASC is all about student success! During the last several months, PLHS staff, students, community and students attended after school meetings to begin the self-study process for our impending WASC.

At these meetings, we addressed the self-study phase of the WASC by forming Focus Groups to look at infor-

mation we have gathered about our school. We were able to identify important points to address in the coming months. WASC monthly meetings will resume in fall and a schedule will be forthcoming. Many thanks to the parents, community and students who attended and we hope you will continue to participate.

New members to our Focus Group meetings are welcome and encouraged—we need your input for a successful WASC! If you would like to

attend the meetings (monthly, from 2:30-4 PM in the PAC) please email our WASC coordinator George Cullins at gcullins1@sandi.net He will contact you about joining us when our Focus Group meetings resume. If you have not already done so, please go online to the PLHS Pointer home page www.pointlomahigh.com and click on the yellow PLHS WASC News button and navigate to complete the parent survey.

Just an early reminder for PLHS parents that MAD days (Mandatory Activity Days) are coming . . . as in past years, PLHS will need many volunteers to make the MAD days go smoothly for the students. "Stations" are set up throughout the campus to facilitate the process for lockers, PE clothing, ASB, student ID

photo etc. August 20 is for seniors and juniors, August 21 for sophomores, and August 28 for freshmen. The MAD days packets will be mailed in late July/early August and will include a "Help Wanted" request and contact information if you can help! In the meantime, have a great summer!

Did You Move Recently?

Did you receive your student's May Progress Report in the mail? If not, we need you to update your address with the Attendance Office. We will be mailing the MAD days registration packet of information in early August and don't want your student to miss out! Please advise our attendance office at 619/223-3121 ext. 1116 or 1145.
