Fall 1981

Volume III, Number I

Presidential Points

The Alumni Association had a very enjoyable and successful 1981. Our hallmark was the establishment of two grants, one for \$500 for a four year student at a S.D. college, and the other \$300 for a two year student. We hope to make this an annual contribution. Our major source of revenue comes from interest earned on our assets which total almost \$8,000. These monies come from your membership and support, and we thank you.

In our drive for new membership for the Class of '81 we had a drawing among the new members for gift dinners for Senior Prom night. We would like to thank The Brigantine, The Chart House and La Terrace for their support. The winning students and the association sincerely appreciated their contributions.

Many thanks also to Diane Petersen, Admin. Assistant who has been attending our board meetings. The board feels it has been beneficial to the association and the school.

Also, it is impossible to close without thanks to Susanne McLane who has spent many hours mailing for memberships, contacting for reunions, and trying to keep track of our members.

Bill Waite, President

Homecoming

The Homecoming Football game will be on October 30, 1981, at 2:30 P.M. at Ross Field. The Pointers will play the Clarendon Chieftans. It should be an exciting game.

The 4th annual meeting of the alumni association will be held immediately following the football game in the school cafeteria to elect directors and conduct other business as necessary.

Refreshments will be served.

Membership

We are 700 members strong. During this past year Life members increased by over 130, but not all of our annual members renewed as they did last year. Please come join us for another year, or better still as a Life member.

Reunions

The Class of '56 held their reunion on Aug. 15th at the MCRD Officers Club. According to Margaret Joesler Shook, there were 175 attendees who enjoyed the get together. They also had a family picnic the next day at the beach.

The Class of '71 was unique in their approach to their reunion. They had their picnic on Sunday with about 350 in attendance... then had their reunion at the Bali Hai on Monday evening. Out of the 369 reservations, 450 attended, and Mike Akey said a super fantastic time was had by all.

The Class of '51 will have their reunion on November 14th at the Admiral Kidd Club. Jody Coles Kewley and Joanna Greenwell Hanna are co-chairing this event.

The Class of '61 will have their reunion on November 7th at the Kona Kai Club on Shelter Island. Dona Smith Mazana is in charge of this affair.

The Classes of '26-'36 will be holding their annual reunion April 2, 1982 with special recognition for the Class of '32. Faye Baird Fraser '27 should be complimented for her continuous and conscientious chairing of this group.

If more information is needed by alums interested in their reunions, please call the school and get the number for your class.

Future Reunions

We have alums interested in future reunions. Here is what information we have at the time we went to press.

The Class of '42 is lucky to have Ned and Sirley Jensen Titlow interested in helping get a reunion organized for their class.

The Class of '62 has Sarah Eber interested in helping organize a reunion. Anyone else out there interested in joining her?

The Class of '72 has Jan Percival who has been instrumental in getting her class motivated.

If anyone is interested in working on the Classes of '52 and '57, please contact the alumni association at the school.

Retirements

Several people retired from Pt. Loma this past June. Alice Mayhugh will surely be missed as she had been connected with the school off and on since 1948. She was Dr. Gauntlett's secretary.

Wayne Corbin, counselor, may spend his retirement days helping the candidates of his choice.

Mrs. Mary Young will no longer give her expertise to Math students.

Dale Haas, building services supervisor, also retired. He is looking forward to many hours on the golf course.

Past Pointer Report

Some alums like to keep the alumni association apprised of their activities. We thought you might be interested in what they have to say.

Myron Insko '35 and his wife, Alice, sent their Christmas letter telling of their family and trips. He cut off a portion of his left thumb and we hope it is well healed.

Mary Papstein '30 sent a note stating she approved of the grant program the alumni association has set up.

Laurence and Alice Lord send greetings from Chico, CA.

Barbara Gates Baker '39 writes from Phoenix that she learned about the alumni association from an old friend. She also sent in memberships for her daughters, Diane Baker Maurer '62 who lives in Stockton, and Janice Baker Yerna '64 who resides in Arvada, CO.

Frank Barner '48 is presently Police Chief of Belvedere, CA. He'd like to see some action from his class!

Judy Asher Graves '58 writes for the Daily Californian, an East County paper. Her first article was written about her oldest son's graduation from Pt. Loma in 1980.

Dr. Chas. Chatlyne '59 offered to host the next meeting of his class in Durham, N.C. Any takers?

Steven Herron '59 must be a little lonely in Ketchum, ID. He'd like to see some old friends from his Pointer days.

Karen Lay Ricord '70 runs the Del-Incline Tessin Restaurant in Incline, NV. Stop by and say hi to Karen and her husband George.

David Hirtler '78 and his wife Anita Christensen Hirtler are living in Honolulu, Hawaii.

Director Profiles

We would like to take this opportunity to introduce some of the directors who have been serving this past year.

Dorothy VanValin Rock '40

Dorothy chaired a reunion for her class. It was their first. With all her activities she still finds time to work with the '25-'35 group (maybe because her husband Gid is from '35) as well as helping us.

Dorothy Lynn Baber '55

Dotsy is back in San Diego after spending the past 20 years in Sunnyvale, CA. She and her family moved into a beautiful new home on the Point. She's very enthusiastic and a great asset to the board.

William Waite '60

Bill is an employee benefits consultant for R.F. Driver Co. When he's not working, sailing and gourmet cooking fill his spare time. His eagerness is contagious at the board meetings.

Julie Woodworth Halliday '70

Julie has been a director for 2 years, and has graciously accepted another term. She and her husband, Wally (another '70 grad) have an 8 mo. old son, Jaime.

Lanna Ludwig Cramer '75

Lanna left the board in June, 1981 when she married Henry Cramer '76 and moved to Davis, CA. She is teaching 3rd-4th grade while Henry is in medical school.

Next Newsletter we will profile other directors including Jack Knight '34 and Suzy Spafford Robie '63.
