### ***Presidential Points***

As school starts again I am sure Point Loma High School staff and students have a wish list of needed items the school budget doesn't cover. Your Maroon Circle and Gold Circle donations allow the Alumni Association to purchase these type of items for the school. Last year we purchased a laser printer for the library. Who knows this year?

Hope to see everyone at Homecoming on October 28th. The game is at 3:00 PM, followed by our annual meeting at 5:00 or so. Come by the meeting and say "Hello!"

# Coach's Corner

*Coach, Bennie Edens*

Hot days, a large number of candidates, two a day workouts and great enthusiasm, best describes the start of our fall interscholastic sports program. The coaches' greatest desire would be a program that allowed them the opportunity to meet the needs of all students desiring to compete and not have to eliminate students to have workable numbers. The dreams of the future, but let's get on with what's happening today.

**Cross Country Men's-** Eastern League co-champions in 1993, this year's team looks like a good bet to win the league in 1994. The team is built around five solid seniors: Clarke Graves, Rashad Pouncey, Chris Werdenberg, Hayden Schuler and Lee Barrett. Others will definitely contribute and this team's goal is to compete in the State Championships.

**Women's-** Seniors Melinda Rodrigues, Amber Northam and Sonja Bacziynski are set to lead their team to a repeat of their 1993 league championship. The team has worked hard all summer and expect another great year.

**Football-**Last year's league championship was a surprise to many as the team had few returning lettermen. This year many of last year's players are back and high hopes abound. All League players Sean Redding, Travis White, Ian Loper, Ryan Aumocualogo and Damon Ayers lead the group with twelve other lettermen playing key roles. Barring key injuries this team should be a contender for another championship.

**Women's Tennis-** The team is looking forward to a challenging but rewarding season. The team will be led by Heather Milligan and Danna Snapper, our number one and number two players. The others while short on experience are enthusiastic and hard working. Look for a team that will improve every week.

**Women's Volleyball-** The 1994 women's volleyball team has eight returning letter winners, however, most lack playing experiences at the varsity level. The women are the defending league champions and they are showing a deal of desire.

# Missing Persons

Thank you! We appreciate those of you who helped us find ten of our missing Pointers. Unfortunately, we've had to add some new names to our list and we have quite a few that we still are unable to locate. We need to keep in contact with Alumni who have moved to keep them up to date on reunion info and proper newsletter posting. If you have any information on someone, please call Susanne Ballantyne at
