PLHS Makeover Now Underway

***Floribunda II Scheduled to Keep
Beautification Efforts Funded***

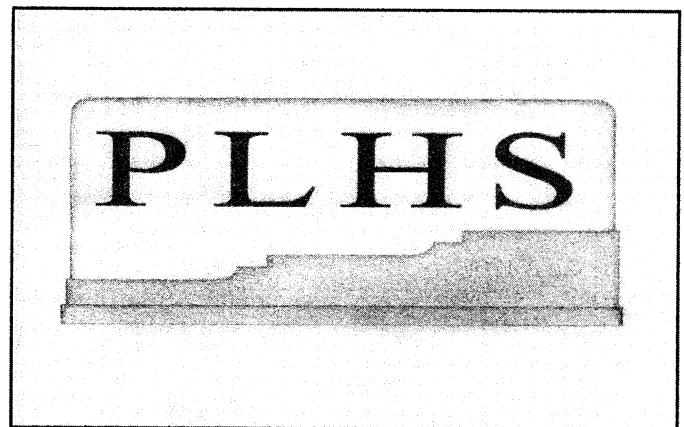

by Doug Harvey

Anyone driving by Point Loma High School these days will be sure to notice the new electronic marquee in front of the recently completed 100 building. This is the first of three signs planned for the school. Next to be installed is a small monument sign (pictured) at the opposite end of the campus. Situated on the hillside overlooking the intersection of Chatsworth and Voltaire, this sign will be the cornerstone of the Foundation and Alumni Association's "Landscape and Site Improvement Project." The landscape committee has been working for over two years on this complicated undertaking. Safety and student access issues have been exhaustively researched, an array of native and drought-tolerant plants has been selected, and numerous funding possibilities have been explored. As of late March 2004, the completed plans - prepared by Estrada Land Planning - will go to the school district for review.

Alums and Friends Unite for Floribunda II!

Floribunda II, this year's new and improved version of the fabulous dance/auction event that raised almost \$10,000 for the PLHS landscaping enhancements last year, takes place on Saturday, April 17 at the Barnes Tennis Center. This time there will be casino tables, a live auction, dancing to the Mitigators and more!

Mike Price

Welcome to the final quarter of the 2003-04 school year at Point Loma High School. Budget woes and District troubles abound, but the high quality education for all of our students continues in the classrooms on a daily basis at Point Loma High School. The site itself is looking at a \$500,000 reduction in staffing and funding for the 2004-05 school year and the staff and I are currently exploring options for making sure that the level of service to our students remains high and consistent. I fear that much of our planning will not see fruition until long into the summer months when the true impacts of the reductions are felt at the site level.

The Foundation Board and committees have planned a wealth of activities and events for the spring and summer. You will find the details for all of these events in the next few pages. I would like to spend just a couple of minutes talking about involvement.

The Foundation and Alumni Association came into being as a result of the merger of the Point Loma Foundation, the Point Loma Alumni Association, and PL2000 with the firm belief that a coordinated effort and a single

umbrella organization would be the most beneficial to the school and the community. The mission of the Foundation and Alumni Association is to provide the support and funding to those events, activities, programs, and people that make Point Loma High School unique among San Diego City Schools. For six years the PLHSFAA has carried on that tradition with excellence.

A time of transition is on the horizon when the last of the original crafters of the merger and the current principal will have to pass the reins of leadership and involvement to a new generation of leaders. The truth of the matter is that the PLHSFAA runs on people and the skills, contacts, and work ethic of those members who serve on the governing board and work behind the scene on the myriad of committees. Without these special volunteers, the organization exists only on paper and cannot continue to provide the program uniqueness, which characterizes PLHS.

As a member of the Board and a direct observer of the difference that the PLHSFAA has made in the lives of students and staff members at Point Loma High School, *I ask that you consider a donation of your time on a monthly or more frequent basis to work on the board or a committee.* I know our current President, Mike Hix, would enjoy hearing from you. The satisfaction of knowing that you are making a difference in the lives of our students is well worth the time.

Thank you for your continued support.

PLHSFAA Annual Fund Drive Underway!

by Mike Hix, PLHSFAA President

The Foundation and Alumni Association membership drive has begun. Parents, alumni, and past members should have already received a letter requesting your help to fund our activities supporting the high school's facilities, programs, and students. We already had a fabulous fall concert thanks to Point Loma alum and Chicago lead singer Jason Scheff, and we have two more events on tap in April. But the core of our fundraising efforts revolves around your membership and contributions. This year we have combined the membership and solicitation campaigns into one effort this spring. So I urge you to include an additional contribution beyond the basic \$25 membership and send in your reply envelope. The high school needs our help more than ever during these times of tight government and school district budgets.

I also encourage more of you to get involved in the Foundation. I especially hope that recent alumni who have stayed in the area and are interested in what's happening at Point Loma will devote a little time to their alma mater. While many parents have been active in their kids' school since the elementary days, the fresh ideas that are brought in by recent alumni can reinvigorate our organization. Our board is currently recruiting new members for the 2004-5 school year, and I hope you'll join us to maintain and improve the quality of the high school experience at PLHS.

THANKS!

Yes, I will support the Point Loma High School Foundation and Alumni Association!

BAND BOOSTER NEWS

GROWING GAINS AND GROWING PAINS

By Pat Baker, Band Booster Co-President

THE GAINS—The PLHS Band is on the move! The Band earned a 1st and 2nd place in our last two parade competitions. At our winter concert, we played to a capacity crowd at the High School's Performing Arts Center, demonstrating the Band's increasing level of musicianship. We will finish up the year with additional concert performances, including participation in the Peninsula-wide annual concert at Point Loma Nazarene University in April, the school cluster concert at Dana Middle School in May, and a final event at PLHS in the late spring. And, of course, we will represent PLHS in the annual Festa Parade in June.

Our hard working students deserve a large portion of the credit for the positive changes we see in our Band. We must also thank our dynamic new instructional staff, **Shawn Loescher** and **John Dally**. Shawn is a PLHS graduate and Band alumnus. He has taken a break from his career as an internationally known professional musician to serve as Band Director, organizing our Band for this year and creating a working plan for the future. John Dally is a graduating senior at Point Loma Nazarene University. He serves as Band Conductor this year and plans to move into the Band Director position in the fall. Shawn and John have created an exciting environment that makes students want to join this group.

This excitement is spreading through the middle school music programs as well. In September 2003, over twenty students entered the PLHS Band program as Freshmen—more than expected and more than any of us can remember. We expect this trend to continue for the next several years with the number of Freshmen Band students increasing each year.

THE PAINS—A bigger band means a bigger budget. Because we expect the large number of incoming Band students to continue for several years, the Band

Boosters stepped up our fundraising activities in order to buy additional Band uniforms. Our goal for school year 2003-2004 is to raise sufficient funds to purchase 15 new uniforms.

THANKS to the support from the generous individuals and organizations, we are close to reaching that goal for this year:

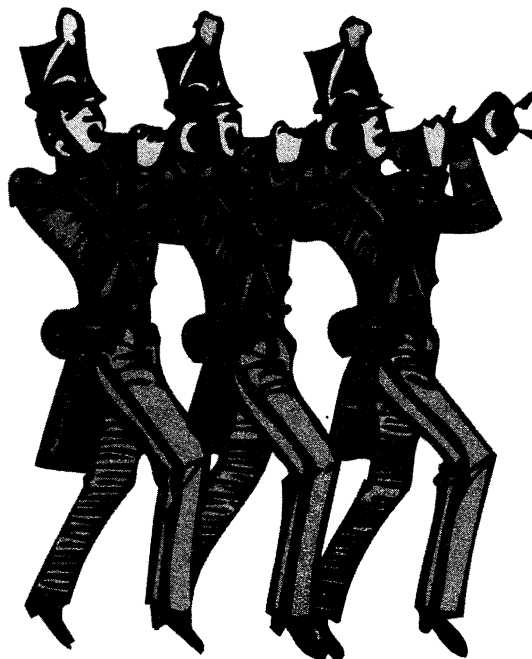

Tracy Armstrong
The Corky McMillan Companies
James Pea
Kimberly Platt
Clint Roberts and Sara Cooley
Dell Schroeder
Jean Timmons
Ocean Beach Community
Foundation
Point Loma High School Founda
tion & Alumni Association
Bud Heller Family Foundation

In addition, the Band Boosters dedicated the proceeds from concessions and raffles at our spectacular elegant winter concert to the purchase of new uniforms. Thanks to

the efforts of the Band Booster Winter Concert Committee, especially **Simone Machado** and **Diane Antonini**, who spent countless hours baking gourmet pastries, cakes, and cookies, as well as assembling and decorating our enticing raffle baskets, we added over \$700 to our uniform fund.

Because this need for additional uniforms will continue for several years, we will continue to seek donations for our uniform fund. If you are interested in contributing or wish to help with this effort, please call one of our Band Booster Co-Presidents, **Sandy Grove** at (619) 225-1098 or **Pat Baker** at (619) 223-9363.

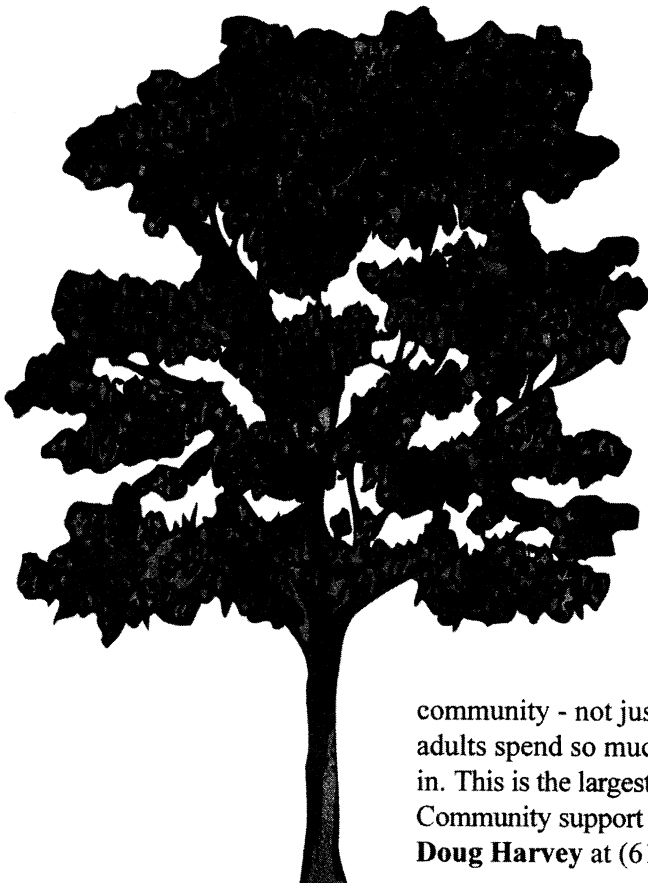

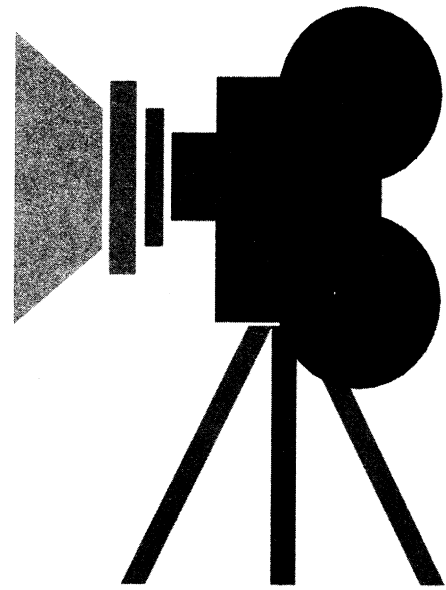

And finally, a long-overdue thanks is due the **WEAR COMMUNITY FUND** for their generous grant of \$500 in April 2003. With this additional money in our travel budget, we were able to pay the extra bus fees so that the Band students were able to stay overnight at the annual concert festival in Valencia.

Landscaping, continued from page 1

The project, which addresses the entire Chatsworth frontage of the campus, is divided into several phases. The first to be implemented will be the area from the gym driveway to the southwest corner of the school's property. Currently this area is a tangle of overgrown shrubs, pickle weed and rusted chain-link fencing. Unfortunately, this is the first view of the school when approaching from Ocean Beach and most of Point Loma. The project will continue up the hill, widening the sidewalk in most areas, creating a new campus entrance (handicapped accessible), installing irrigation, and thoroughly re-working the landscaping. The culmination of the project will be at the school's main entry at the intersection of Chatsworth and Zola. Here, a large monument sign will be installed beneath the existing Torrey Pine trees (both signs were inspired by the original 1925 mission-style buildings that were demolished in the 1970's), the lawn area will be expanded, benches will be installed, and all hardscape will be drastically improved.

Point Loma High School is placed very prominently in the community - not just geographically, but at the top of the K-12 experience. Our young adults spend so much of their time there. They deserve a school that they can take pride in. This is the largest project in the history of the Foundation & Alumni Association. Community support is vital to its success. To help out, please contact committee chair, **Doug Harvey** at (619) 224-7157.

Dear Alumni and Friends of PLHS,

It's that time of year again, and this time it's **TORREY PINES NORTH GOLF COURSE!**

The Point Loma High School Foundation & Alumni Association proudly presents the Annual PLHSF&AA Golf Tournament. Last year's event was a tremendous success. Thanks to the sponsors and participants the event netted over \$4000 which directly benefited the High School. We look forward to this year's event which is sure to be another day of friendly fun and competition on the golf course.

The 2004 tournament will be at the acclaimed **Torrey Pines North Golf Course Monday, April 26th**. The proceeds of this year's tournament will go towards the Landscaping project which promises to beautify the entrance to the campus on Chatsworth Boulevard for many years and generations to come.

The Point Loma High School Foundation & Alumni Association relies on your generous support to make this the most successful year yet. There will be plenty of prizes and giveaways including those teams who finish 1st, 2nd and 3rd. Perhaps even a special guest or two (more details to follow).

GIFTS & GRANTS

from the PLHS Foundation & Alumni Association

by Pat Baker

Based on recommendations from the Gifts and Grants Committee, the PLHSFAA Board approved the first round of grants in response to teacher requests for the 2003-2004 school year. The list of approved expenditures is as follows:

Gina Crudo, ROP Teacher	One student scholarship to Future Educators of America Club conference.
Brian Benz, Science teacher	Equipment for all physics students to compete in PLHS electric car races.
Heidi Knapp, Cheer Advisor	One section of mats.
Allan Wager, Math teacher	View screen and 40 TI-83 calculators for statistics class
Jean Pehrsson, English/Journalism Teacher	Three upgrade computer systems for school newspaper production
Gene Bier, English Teacher/Peer Coach	Two video cameras for the Media, Communication and Film Themed Academy courses
Jim Ballantine, Science Teacher	Subscriptions to Science World
Jon Posternack, English teacher	Additions to classroom library plus DVD player
Vivian Love, Social Studies/English teacher	DVD/VHS combination player. Will be especially helpful for supplemental materials that go with new Economic and Government texts
Shawn Loescher, Music Department	Commission a new concert arrangement of the PLHS Alma Mater
Glenn Richard, Social Studies Teacher	Design work for all-school trophy case
Laurie Hurl, Head Guidance Counselor	Funding for trip to NACAC in Sept/Oct 2004
Donna Gramm-Goncalves & Cirita Beltran, Spanish teachers	Two Epson 54c Video Projectors for Spanish classes

It gives us great pleasure to provide support for the enrichment of the students' classroom and extracurricular experiences. Many thanks to the teachers and staff who submitted these wonderful ideas.

In addition, we made an award to the Peninsula Family YMCA Youth and Government Program. This grant will provide support for participating PLHS students as they learn and practice the policies and procedures of our government.

Following the tradition set by previous years of *Point Loma Unplugged*, the PLHSFAA Board has designated \$7000 from the Jason Scheff Concert proceeds to be allocated to visual and performing arts activities at Point Loma High School. As before, Principal Mike Price, along with the visual and performing arts teachers, will determine the distribution of these funds.

We will soon distribute our second request for grant applications for 2003-2004 school year. These applications will be due in the PLHSFAA office by April 30. We will then make awards from this second round by May 31.

Cheerleaders and Boosters in High Gear

By Linda Weber

Cheerleading is a year-round activity at PLHS. During football season, cheerleaders energized the crowds at Freshman, Junior Varsity and Varsity games. Special cheer routines were performed at Kickoff halftime and Homecoming Pep Rally. When the Varsity football team made it to the playoffs this fall, the cheer squad had the honor of rooting for their Pointers at these exciting games. Through the winter, the squad led cheers at all Varsity men's and women's basketball games, home and away, and also at men's JV home games. Pointer water polo and soccer teams received extra encouragement from cheerleaders at many of their games, too. Careful scheduling and coordination by Cheer Advisor **Heidi Knapp** made it possible.

Nineteen of the 41 cheerleaders joined the PLHS cheer competition team. Under the direction of coach **Corky Lindsey**, the team performed cheer/stunt/dance routines at two competitions this winter, placing 2nd in their Varsity division at Cheer Jam at SDSU. In December, the competition squad showed their holiday spirit with a special community service project. They collected and delivered much-needed personal hygiene items to the residents of the San Diego Rescue Mission.

To raise funds for stunt/tumbling coaching and for new tumbling mats, the cheerleaders and Cheer Boosters offered a gift-wrapping service at Fashion Valley for five days in December. Stationed at the site of sponsor **D'lush Beverage Joint**, the girls wrapped hundreds of packages and earned \$2,000. Special thanks are extended to D'lush manager **Jeffrey Adler** for providing cheer team shirts to all cheerleaders. Direct solicitation letters sent out in the fall brought in additional funds for the squad.

Spring activities include cheering for spring sports, performing at pep rallies and more fundraising. Cheer try-outs for the 2004-05 JV and Varsity squads will be held Apr. 12-16. Current 8th grade girls, along with interested freshmen, sophomores and juniors, are encouraged to try

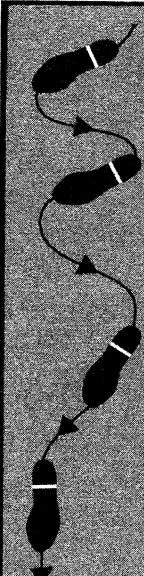

out. Contact Advisor **Heidi Knapp**, 223-3121, ext. 4862, for more information.

The Cheer Team Boosters are seeking to fill several openings on the Booster Board for 2004-05. The Cheer Team Boosters organization supports cheerleader activities and is open to PLHS parents, alumni and interested community members. Contact **Linda Weber**, (619)226-7726, for more information. Tax deductible donations to the Cheer Team are always welcome and may be sent to Cheer Team Boosters, c/o Susan Hinrichs, PLHS FAA, PLHS, 2335 Chatsworth Blvd., SD 92106.

The cheerleaders would like to thank the following donors for their generous contributions the Cheer Team Boosters in 2003-04:

- D'lush Beverage Joint, Fashion Valley
- PLHS Class of '53 Reunion Committee
- Melanie Parker, DDS
- Richard J. Mercado, DMD
- Marilyn Billingsley, State Farm Insurance
- P.J. and C.M. Hartley
- Heidi Humphries
